MYERS/ADAMS AUCTION 4

MAIL BID SALE

Closing Date

October 30, 1972

ROBERT J. MYERS

P. O. Box 442, Lenox Hill Sta., New York, N. Y. 10021

CONDITIONS OF SALE

The terms of the sale are strictly cash; title does not pass on any lot until payment has been made in full. The highest bidder shall be the buyer; the decision of the auctioneer will be final in all instances. Persons unknown to the auctioneer are requested to submit satisfactory credit references or remit a 25% deposit on the amount of bids submitted. Deposits not used will be immediately refunded. Successful bidders will pay all postage and registration fees. Lots will be mailed five days after the closing date.

No unlimited bids will be accepted, but lots will be purchased at the lowest possible price. There will be no charge for executing bids. No commissions will be charged to the bidder; there are no auction taxes in New York. All lots delivered in New York State are, however, subject to the appropriate sales tax.

The authenticity of every item is unconditionally guaranteed. An auction sale is not an approval sale; no lots may be returned without the written permission of the auctioneer. No auction lots of more than one coin may be returned, they are sold "as is". The auctioneer cannot be responsible for bidder's errors, please check your bid sheets carefully.

ALL BIDS MUST BE IN THE HANDS OF THE AUCTIONEER BY OCTOBER 30

Lots which are illustrated are indicated by an asterisk (*) before the lot number in the catalog. The Greek lots which have more than one coin have a small number before the lot in the text which indicates the number of pieces in the lot. When more than one piece is in a lot, the number is given in parentheses after the description. Roman and Byzantine coins in groups of more than one piece per lot are described after the individual lots.

All coins are silver unless otherwise indicated.

Obverse and reverse descriptions are separated by a virgule (/), the obverse given first. Standard references have been used and all abbreviations are standard numismatic usages.

The coins in this mail sale can be viewed at the Warwick Hotel, 54th Street at 6th Avenue, New York City. The coins will be shown from 9:00 AM to 6:00 PM on October 12 & 13, 1972. An appointment to see the coins at any other time may be made by writing to the auctioneer. No coins can be mailed for inspection.
